

April 12, 1973

SENATOR WHITNEY: It's my understanding it's part of the present mental retardation program.

SENATOR R. LEWIS: And you're saying that the wording is presently that it puts the entire program in jeopardy?

SENATOR WHITNEY: Yes.

SENATOR R. LEWIS: Thank you.

SPEAKER: Are there further questions? If not, are you ready for the question? The question is, shall the Whitney amendment be adopted? All those in favor say aye, those opposed no. The amendment is adopted. Are there further amendments, Mr. Clerk? Are there any further amendments to the bill?

CLERK: None.

SPEAKER: All right, this is an appropriations bill by the Appropriations Committee. Senator Marvel, do you want to explain the bill as amended? Senator Cavanaugh.

SENATOR CAVANAUGH: How long is the amendment? I don't know what the amendment says.

SPEAKER: Well, we just adopted it. Mr. Clerk, how long is the amendment?

SENATOR CAVANAUGH: Is it in the Journal?

CLERK: No.

SPEAKER: Well, what's your pleasure, Senator Cavanaugh?

SENATOR CAVANAUGH: Well, I think I'd like a day or say to look at the thing.

SPEAKER: You're about five minutes too late.

SENATOR CAVANAUGH: Well, I can still look at the bill as it's amended. Senator Whitney object to having it laid over until Monday?

SPEAKER: Anybody has the right to, as long as it's on this noncontroversial list to request that it be laid over and the chair will so order.

SENATOR CAVANAUGH: Well, I want to know does anybody object to this? Okay, then I'll request that it be laid over until Monday.

SENATOR CARPENTER: Just a point of information. I'm having a new bill written which will show the effect of the amendments on both 302 and 311. I'm sorry that I haven't done it prior to this time but I only got it this morning. Now these will be available and be distributed to this body when we meet on next Monday so we'll have a bill showing the effect of the amendments that you have adopted or probably will adopt in the other bill so you can follow and see what we've actually done before you move it any further.

SPEAKER: Now Senator Carpenter you're also talking about LB 302?

SENATOR CARPENTER: That's right.

SPEAKER: Do you want to pass that over now?

SENATOR CARPENTER: I think in view of this, yes.
